Monday 5th October 2020

Dear Parents / Carers

I am writing to you re Harvest and our plans to celebrate and give back to our community this year.

I am very aware that 2020 has been a hard year for many reasons, not least because of the pandemic which we are still continuing to live through. Many families have been affected financially with the furlough scheme and with the number of redundancies rising rapidly. The senior staff and I have heard of many of our ASPIRE families struggling, and we have decided that we would like if possible to do something to help.

We would like this year therefore for harvest donations to be brought in as usual, but this year they will be given to families within ASPIRE who are struggling due to the pandemic.

We would welcome donations of any of the following:

Fresh fruit or vegetables

Tinned goods

Packet food ie pasta rice etc

Jars - ie Jam, sauces etc

Bottles of squash or cartons of juice or long life milk

Small bundles of clean second hand clothes with the age marked on the bag age from 0- teenage (this can be uniform or other)

New and packaged single duvets and pillows

If you are able to make a donation - please give them to your child to bring into school. Nothing is too small, a tin or a packet is a huge help. Please send in any donations by Friday 16th October.

If you are a family who has already alerted us to your circumstances we will arrange for you to receive a food/ clothing package.

If you feel that you could benefit from a donation we would be pleased to help. Please contact me via email at [ehickling@aspirekent.org.uk](mailto:ehickling@aspirekent.org.uk) or alternatively please give your school office a call.

Thank you in advance for your support.

Kind regards

Emma Hickling
