

4 November 2020

Dear Parents/Carers of children in Year R

Within the youngest classroom of the school we have decided to move to Tapestry. This is an online platform which enables us to collect observations, photos, work and videos of your child throughout their time within the classroom. You can also view this from home and add WOW moments of learning to Tapestry so that we can use these alongside what your child achieves at school to get a picture of the whole child. This will enable us to track their progress and ensure that we are providing opportunities for their next steps to be met.

This platform is secure and is password protected. The only people that can upload and edit observations are the teacher and TA within the classroom. Heads of School and the Executive Head are able to have overview of all four schools.

Please see the attached documents and complete the online google form by **Friday 13 November** so that we can add you to Tapestry as soon as possible. You may be prompted to create a Google account if you don't already have one. If so, click on 'create account' and follow the on-screen instructions.

Any questions please email [fsteer@aspirekent.org.uk](mailto:fsteer@aspirekent.org.uk).

Yours sincerely

A handwritten signature in blue ink that reads 'F Steer'.
