Dear Parents/Carers,

It has been another eventful year, where we have seen another restricted summer of trips, events and transition, as well as still feeling a level of uncertainty with regard to what the reality in September will bring. However, I am pleased to be writing to inform you of next year's class structure.

I would first like to take this opportunity to say thank you to Mrs Garcia for her support and hard work during her time at Kingswood. Unfortunately, she will be leaving Kingswood at the end of the Summer Term and we know pupils in Oak class will miss her. We wish Mrs Garcia lots of success with her new adventure.

With regard to September's Class Structure, as I am sure you appreciate, a great deal of thought and care goes into the organisation for each academic year, with many factors contributing to the decisions made. We are pleased to tell you that this year's classes will not be changing from the current 20.21 structure. Due to the success of the Year R/1 provision, as well as keeping classes in EYFS/KS1 to thirty pupils or under, we will be repeating the class structure.

One of the key benefits of being a small school is that the adults and children get to know everyone else and our learning environment is always tailored and supportive. As you are aware we have a unique opportunity at Kingswood to develop learning through a nurturing, yet challenging ethos. Those parent/carers whose Year 1 pupils will be accessing their learning in Chestnut, as Sycamore Class, will be notified.

Below are the details of who will be teaching your child next year. Children will be participating in virtual transition activities to meet their new teacher and see their new classroom where applicable.

Class	Teacher	Teaching Assistant
Oak Y5/Y6	Mrs Phillips	Miss Spain, Mrs Groves, Mrs MacLaurin
Birch Y3/Y4	Mrs Golding (nee. Miss Scudder)	Mrs Hopkins
Maple Y2/Y1	Mrs Hart	Mrs McNama, Mrs Miller, TBC
Chestnut Y1/YR	Mrs Colegate (Mon-Thur) & Mrs Fowler (Fri)	Miss Randall

Although shown tied to a class above, Teaching Assistants are usually fluid and work as a team, where they support and work with different classes, individuals and groups across the school from September – restrictions permitting.

Please note that some classes show a higher number of supporting adults; this is where these TAs are attached to specific children within that class. 'TBC' is where interview deadlines have not yet expired, which may include existing members of associate staff; we will let parents/carers know.

Further letters to look out for in the next couple of weeks will be information on Uniform – ‘When, Where and How’ to order, as well as an outline of entry/exit routes and timings of drop off and pick up in September.

Lastly, I would just like to thank all our Parents/Carers who have supported us throughout this year with kind words, care packages and home schooling. We wish you a restful summer and we cannot wait to see everyone back in September, as well as meet and greet our new Kingswood reception pupils and parents/carers.

Kindest Regards,

Mrs Sanchez Daviu
Head of School
