

To Birch Class Parents

Dear Parent / Carer

Welcome to Birch class.

We are looking forward to a successful and enjoyable year.

Our history focus this term is Tribal Tales. We shall be looking into the lives and accomplishments of the stone age, bronze age and iron age. Within Art we shall be exploring cave paintings and recreating our own using charcoal. We also have the artefact box from Maidstone Museum to explore.

During our English lessons we will be focusing on stories linked to the Stone Age. We shall look at fiction, no-fiction for instructions and poetry. As the weeks go on, we will look at whole class guided reading texts, linking in our inference and deduction skills, along with grammar work.

During our Maths lessons we will be working on place value, representations of numbers, partitioning and continuing to develop our times tables.

Our Science unit will be living things. Mrs Foad will also be teaching German, beginning with the basic greetings and numbers in German. PE will be on a Friday afternoon so please make sure you child comes dressed appropriately on that day.

Thank you for your support, we look forward to working with you,

Yours sincerely

Mrs Golding and Mrs Hopkins
