January 2022

To Birch Class Parents

Dear Parent / Carer

Happy New Year! I hope you all had a lovely Christmas and are ready to start a new term. Our Geography focus this term is Mountains. We shall be looking into mountain ranges around the world and their geographical features. We shall be continuing our skills using atlas and maps.

In Science, we will be learning about solid, liquids and gases in changing state. Our RE unit looks at the events of 'Holy Week'. With PSHCE, we will be having discussions and activities on relationships with friends and family members.

During our English lessons we will be focusing on a core text linked to our work on mountains. From this, our writing outcomes will include diary entries, informational letters, narratives, poetry and an information text.

During our Maths lessons we will be working on multiplication and division. We will continue on our mental strategies before moving on to efficient written methods and applying this knowledge to word problems. Times tables will also continue to be a focus.

Mrs Foad will continue teaching German on a Thursday. PE will continue be on a Friday afternoon so please make sure you child comes dressed appropriately on that day.

Thank you for your support, I look forward to working with you.

Yours sincerely

Mrs Golding
