January 2022

Dear Oak Class Parents

Happy New Year!!

Thank you for all the Earth and Space homework already handed in with your continuing support.

This term is all about Earth and Space, in History and Science. Our class book also has a space theme and is called Fly High Crew, a contemporary book written by Ashley and Jordan Banjo from the dance group Diversity. Reading comprehension texts will be themed around the planets and famous astronauts.

Numeracy topics will contain: decimals and percentages, converting measures, time and reading timetables.

The theme in German is healthy living and PSHE is learning basic First Aid with a super set of resources from St John's Ambulance.

P.E. this term is Gymnastics (which will require bare feet) and Other Outdoor Activities - weather permitting.

Scratch and simple coding will be covered in computing.

Making space inspired mobiles and art, as well as listening to music by Holst - The Planets will take place in the creative lessons.

Kind regards

Mrs Phillips, Miss Spain and Mrs Maclaurin
