To Birch Class Parents

Dear Parent / Carer

Welcome back! I hope you all had a lovely time over the last two weeks and are ready to start another new term. Our History focus continues this term with the Ancient Greeks where we shall be looking into the legacy they have left behind.

In Science, we will be learning about humans and other animals, focussing on the digestive system and our teeth. Our big question in RE to explore this term will be 'What is important for Sikh people?'

During our English lessons, we will be focusing on Aesop's Fables. We will continue with our writing of fiction and non-fiction texts, as well as working hard to our reading comprehension skills.

During our Maths lessons, we will be working on decimals, money, position and movement. We will continue to work on our problem solving skills and times tables will also continue to be a main focus.

Mrs Foad will continue teaching German on a Thursday. PE will continue be on a Friday afternoon, but will only be a single session due to Year 4 starting swimming.

Thank you for your support, I look forward to continue working with you.

Yours sincerely

Mrs Golding
