

Homework grid - Maple Class Term 5 2022

Please complete at least 1 activity per week and bring your work in on a Friday to share with the class.

Find out about famous engineers. Search the web and use non-fiction books to find out about their life and work.

Play a tumbling tower game such as Jenga, with your family. What are the best ways of keeping the tower upright? See if you can take some action shots or videos of the tower falling!

Go on a bridge hunt with your grown ups around the local area. What types of bridge did you see? Choose the most interesting bridge and see what you can discover about it online.

History/D.T

Make a detailed diagram of a castle, labelling interesting features which might be found inside, or out. Perhaps you could find out about murder holes, garderobes or loopholes?

History

Make an information book about castles, bridges or tunnels. What fascinating facts can you find out to amaze your family, friends and teacher?

D.T

Design and create a model of a famous structure from around the world, using junk materials found at home.

Geography

Find, on a world map or globe, all the famous landmarks you would like to visit.

Which continents are they in?
How would you get there? Talk to your grown ups and explain your choices.

English

Look at websites telling the story of Cinderella. Draw a storyboard with six or eight sections. Add captions and images

Life skills

Can you create a poster to encourage people to live more healthily. Consider - eating, sleeping, hygiene etc.
