

11th May 2022

Dear Parent/Carer

On Friday 27th May 2022 the Aspire Federation will be holding a special Jubilee celebration bringing all four schools together for this special occasion.

All of the children and their parents/carers are invited to Ulcombe School for an afternoon of craft, games and cake. The school will be closing at 1.15pm directly after the children have had their lunch. Children should be collected from school by their parent/carer at 1.15pm and then proceed to Ulcombe School. There is limited parking available at the village hall (1 minute away) as there is no parking available on site or on the roads, so you may wish to consider car sharing.

If you are unable to collect your child and your child requires transport to Ulcombe, please complete the slip below and return to school as soon as possible. If you are registered for after school wrap around care on a Friday and require it on 27th May, please indicate on the slip below.

We encourage parents/carers to enjoy the afternoon with their children, however please know that all children will also be accompanied by their teaching staff who will remain with them whilst on site. When you leave at the end of the afternoon, please notify your child's class teacher so they can mark this on the register to ensure safety of your children.

We are having cake provided for all children, however, if your child has any allergies please supply your own if you wish to. There will be cold refreshments available to purchase alongside some jubilee sweets. If you have younger children with you, they are of course welcome but will not be included in the numbers for the craft activities or cake and remain your responsibility at all times.

In the event of bad weather a decision will be made on Thursday morning (26th) as to the viability of the event and you will be notified of any cancellation. If this does happen the school will continue until the normal closing time.

We look forward to seeing you all on the 27th. If you have any questions, please contact your school office.
