

Wednesday 15th June 2022

Dear year 6 parents/carers,

I am writing with this week's transition tip which we hope will support your child's anxieties about leaving primary school. This week's tip is about preparing to say goodbye to the staff and younger pupils. Moving to secondary school is exciting but also sad as all things are when they come to the end.

Family Transition Tip 11

Start to talk to your child about how they are feeling about leaving Primary school. Some children at home will feel that they have already left. Would your son/daughter like to say goodbye to any staff –perhaps help them to make cards? Who are they grateful for meeting? What are they grateful for experiencing? Who and what are they going to miss about Primary School? Although this seems a few weeks off, it may be better for some children to start thinking about saying their goodbyes little by little.

Please talk to your child's class teacher if you have any questions or feel they need a little extra support with transition.

Kind regards,

Emma Hickling
