

Wednesday 27th September 2023

Dear Parents/Carers of year 6 pupils,

I am writing to you about secondary transfer for September 2024, as the window for applications is already open. You can apply for Secondary schools online from now until the 31st October 2023. You will be able to make four choices.

Those pupils who have sat the PESE (11 plus) test on 7th September, should have their results on 18th October 2023, giving you time to make choices once you are aware if they have passed.

You can make an application for your child's secondary school via this website.
