

Christmas and New Year Refuse Collection Changes

Christmas and New Year Bank Holidays will have an impact on waste and recycling collection services for every household across the borough this year.

Garden waste and bulky waste services will be suspended from Monday 25 December to restart on Monday 8 January - so staff can be used to support other front line services.

Other Waste and Recycling collections will change as follows:

Monday 25 December - your collection will be completed early on Saturday 23 December.

For Christmas week, **from Tuesday 26 December** - collections normally scheduled on Tuesday to Friday, will all be completed **one day later than usual**.

For New Year week, commencing **Monday 1 January** - all collections will be completed **one day later than usual**.

All services return to normal on Monday 8 January.

Leeds and Kingswood Scout Group (Beavers Cubs and Scouts) are going to provide a Christmas Card delivery service throughout December!

You are invited to post your Christmas cards for residents of Kingswood village in the post box at the Kingswood Nisa shop, Charlesford Avenue.

For a donation, Beavers/Cubs and Scouts will stamp and deliver them to houses within walking distance from the shop. (See *map*)

We are raising money for our next camp in 2024! They will also be earning some badge elements by providing this service 🙌

Last delivery will be Saturday 23rd December at 10am followed by tea/coffee and mince pies afterwards at the scout hut.

Happy Christmas!
