Week commencing
22nd March 2024

With only a week left to go before Easter break, we have been busy with our learning. Maple have enjoyed their UK day, we have spoken about the four patron saints of the United Kingdom and discussed St Patrick's day, which was celebrated last Sunday. Children have enjoyed swimming and their last football session for this term. We are excited for our last 4 day week, where we have our Big Question Afternoon, our Easter tea for the Elderly and our whole school Easter celebration assembly; we can't wait. We wish everyone a restful weekend and we'll see you on Monday!

A request from Mr Robinson: I am planning to brighten up the staff room in the near future and have a request. If you have any chairs that you are getting rid of - or know anyone else locally who does - we'd be ever so grateful if they can be donated the school. Thanks!

The Kingswood Primary School Team

Day to day, while your children are in the school learning, there is a great team here helping them through their early years. There is so much enthusiasm for the children's progression in their education and also for the wellbeing of all the children. Each week we want to share more about the team your children know so well.

My life as a Teacher at Kingswood Primary School by Mrs Syred, Maple Class.

Hello everyone, I'm Mrs Syred. Although I received my training in Australia, I've been teaching in the UK for over 15 years now. After immigrating to the UK, I started my teaching journey in a range of inner London schools, but after starting a family, decided to relocate to the lovely county of Kent. Speaking of which, my husband is also a teacher, so education really runs in our blood!

Apart from my passion for teaching, I have a few hobbies that keep me busy in my spare time. I thoroughly enjoy amateur dramatics and have been involved in various theatrical productions in the local area. Sewing is another skill I love to explore, and I often create my own unique pieces. Finally, there's nothing quite like relaxing with some crochet – it's a fantastic way to unwind!

In one of my fun amateur dramatic roles!

I'm really excited to join the team at Kingswood and to get to know each and every one of you. It has been lovely seeing familiar faces from when I worked here in lockdown and I have enjoyed getting to know Maple class. Thank you for welcoming me so readily into the Kingswood family.

Term 4 comes to an end with our Kingswood School Easter Celebrations!

WANTED

Have you joined yet? Please do sign up to join Friends of Kingswood as your input would be really appreciated in all areas. Extra help is needed in the team - both with planning events and, if you can, with helping on the day of events.

FOKS do a fantastic amount for us all and their contribution brings extras to ALL the children in Kingswood as they journey through the years with us.

Water

Just to clarify, the children should be bringing in water to drink and not squashes and flavoured drinks.

Thank you!
