Friends of the Honey Bee-

As mentioned earlier this year, all four Aspire schools have signed up to become 'friends of the honey bee'.

Please find attached their Termly Newsletter sharing ideas for projects, including some lovely ideas for things that could be done at home.

The Friends of the Honey Bee campaign also has a wonderful website full of ideas and learning opportunities. To find out more visit: <https://www.bbka.org.uk/>

Minibus!

At Aspire we believe that children should be active in their learning and that many of the children learn best when their 'classroom' is moved outside. Alongside our Active Learning sessions - which take place as often as possible in all Aspire Schools.

We are always looking to enhance the experience of our pupils through trips, visits and opportunities to learn outdoors. This could be using other venues such as Horton Kirby, Leeds Castle, Maidstone Museum or as part of our Year 5/6 residential at Bowles. It may also be through visits to other schools in Aspire for experiences such as Forest School, visiting workshops or planned events such as the annual Aspire Music festival.

Our children also visit Sutton Valence throughout the year for their swimming lessons and to participate in our annual swimming gala.

To enable all of this to happen smoothly and as a commitment to provide even more opportunities for children to get out and about in the future - Aspire have purchased a second minibus!

The minibus was purchased as a result of monies paid to Aspire by other schools who received support from our leaders. It has been a great opportunity to be able to put this back into supporting the children directly.

Wishing you all a lovely and restful weekend.

Kind regards,

Emma Hickling
