### **SEND Survey-**

KCC have opened a survey for parents to complete to express views about your child/ren's experience in School.

Although this does ask for the name of the school and names of the child/ren, this data would not be shared in any way which will identify you or your child.

If you would like to complete this survey visit-

### **Eco-Friendly Ambassador Training- 24th April 2023**

### **Safeguarding Alert-**

I would like to make you aware that it has come to my attention that there is an individual who has recently arrived from Bangladesh running sessions in London for parents of children with Autism Spectrum Disorder offering a 'miracle cure'.

These sessions claim they can cure ASD with a new treatment. The treatment they are offering is an experimental treatment, which is unlicensed in the UK. There is no robust evidence that this will help the children, however there is a real risk of harm.

Consultation has taken place with Health colleagues in the area and the strong advice is that families should **NOT** take up this treatment.

### **Mega Camps-**

Mega Camps are open for the May Half Term and Summer 2024, providing school holiday childcare and activities for children of Essex, Havering, Kent and Surrey.

All of the Mega Camps locations are Ofsted registered and accept children ages 4 - 14 every school holiday.
