Week commencing

26th April 2024

It has been a lovely second week back to T5 with celebrating resilience and the London Marathon, recognising St George's Day and our Eco Ambassador training. We can't wait to hear about it in Monday's assembly. We also had all the school photos taken during the week.

Well done to all those who have brought in more super homework and another well done to Year 2 who have helped the Government to be SATs trial detectives! Children have been working hard and we have seen some fab work. We're hoping the weather is kind over the next couple of days and wish you all a restful weekend. We'll see you all on Monday,

Mrs Sanchez Daviu, the Kingswood Team and Hattie

A HUGE thank you to Mr Holland who came into school to repair the roof of the shed outside Chestnut and Sycamore class.

Very much appreciated by all of us at Kingswood!

A short length can be T0000oooooo short!

Now that we are coming into the warmer weather (hopefully!) we ask that the shorts and skirts the children wear are not too short. Children must wear clothes into school that are appropriate to a primary school setting. Many thanks.

Eco-Friendly Ambassador Training

This week Aspire Federation took part in an Eco-Friendly Ambassador Training Day as part of the Kent School Games.

The day included an inspiring athlete and interactive workshops delivered by Kent Wildlife Trust and Kent Councils Schools Active Travel Team. Some of our children from each school went to Canterbury where they learnt lots and had a really useful day. There is lots going on around the county to inspire young people to be physically active for life through positive experiences of daily activity and competition. Kingswood were delighted to take part.

Active Kent & Medway

If you're ever looking for local activities for adults and children have a look at <https://activekent.org/>

The Active Partnership for Kent and Medway (formerly known as Kent Sport), works in collaboration with a wide range of partners to get more people, more active, more often.

Their principal funders are Sport England and Kent County Council. Kent County Council also hosts the partnership in its offices - they also work with and are supported financially by Medway Council and the 12 district and borough councils across the county.

There are hundreds of activities on their Activity Finder search facility.

Thank you everyone - morning punctuality is brilliant! The school altogether have 99.5% 'on time' punctuality recorded.

The gates open at 8.30am and the school day starts at 8.45am. If your child isn't in their classroom by 8.45 they might miss the morning register and will need to be signed in at reception.

We know things happen on rare occasions but please do try to be earlier than later.

Many thanks.

Spring IS coming

It's been very cold but signs of spring are all around us - the trees are starting to fill out with leaves and blossom and the school grounds now have pretty flowers. The wild primroses that are around the grounds are always a great sign of spring.

Primrose =
Prima Rosa
= First
Rose.

The start of the school day ...

When bringing your child to school it is vital that children are brought to the reception to be seen into school by the staff. Parent/Carer's must accompany the child to the school office and not drop them off outside the gate. This includes Wrap Around Care.

This is for safeguarding - we're sure you'll appreciate that children mustn't be left outside or just inside the school grounds - they must be brought to the office. Many thanks.
