Week commencing

14th June 2024

In spite of the chilly weather, it has been a lovely week this week, where we have celebrated children's out of school achievement awards in assembly, started our afterschool clubs - including KS2 cricket club - taken some Year 3 and 4s to represent Kingswood at a tag rugby tournament and also seen Year 6s achieve their bike-a-bility certificates - well done to everyone! A big thank you goes to FOKs for putting on our Father's Day pop-up shop - it was a wonderful success and the smiles of the children choosing a gift for someone special was just lovely to see.

We look forward to a busy and exciting term 6 of events and wish everyone a lovely weekend with whomever that special someone the children are spending it with.

See you Monday,

Mrs Sanchez Daviu, the Kingswood Team and Hattie

In Term 6 can you help Friends Of Kingswood?

The team would really appreciate extra hands to help. FOKS do SO much for all our children and many hands make light work! You don't have to make a huge commitment - could you give your name as a willing volunteer for planning and at events?

please

The gates open at 8.30am and the school day starts at 8.45am. If your child isn't in their classroom by 8.45 they might miss the morning register and will need to be signed in at reception.

We know things happen on rare occasions but please do try to be earlier than later.

Thankfully, mornings are SO much easier on these bright sunny mornings! Many thanks.

Some shorts are TOOOO short for school.

Please ensure summer shorts are not toooooo short. Just above the knee is suitable for a primary school setting. Many thanks for your cooperation.

Parking - When dropping off or collecting your child please park considerately and ensure you are not obstructing drives, garages or access to roads. Please be respectful of our neighbours. We appreciate your support in this matter.

The British Beekeepers' Association is delighted to celebrate 150 years in 2024!

A Little 150-Year History

The British Beekeepers' Association - known as the BBKA - was established as a London-based beekeepers 'club' in 1874 and within a decade had evolved into a national organisation. By 1943, Ireland, Scotland and Wales had developed their own Associations, while the BBKA represented beekeepers in England and Northern Ireland. After many years with no fixed abode, in 1982 the BBKA moved to offices at Stoneleigh in Warwickshire. Today, the BBKA represents around 30,000 beekeepers across the country, and works to support education around honey bees, while actively campaigning to raise awareness of threats to pollinators.

Black Trainers - A gentle reminder that black trainers are the school uniform footwear and other colours are not to be worn. Many thanks.

Reminder: We are a nut school due to children having allergies, these include Nutella bars. Thank you for your support.

Make Up is NOT to be worn in the school for any year group. It isn't needed and is a distraction for the children to be considering cosmetics at a young age. *There are many years ahead for make up in their lives! :o)*
