Week commencing

8th July 2024

This week has been eventful with trips to Leeds Castle for Chestnut/ Sycamore, Maple and Oak classes. Year 6 has been on their Lenham transition and we have seen some wonderful learning about bees, the Mayas and creative writing. Next week is another busy one to look forward to with transition afternoon for all classes on Tuesday, parent/carer consultation evenings and our ASPIRE Year 6 transition day on Friday 12th at Ulcombe village hall. We hope you have a restful weekend and we'll see you back on Monday for Term 6 Week 6!

Mrs Sanchez Daviu, all of the Aspire Team and Hattie 

ASPIRE = A School Partnership In Rural England

Can you help Friends Of Kingswood at the Summer Fayre?

The team would really appreciate extra hands to help. FOKS do SO much for all our children and many hands make light work! You don't have to make a huge commitment - could you give your name as a willing volunteer for planning and at events? Please let the office know if you can and we'll pass it on or contact FOKS directly.

Kent Strawberries at Wimbledon

Strawberries and Cream at The Wimbledon Championships are world famous!

The strawberries served at Wimbledon are a variety named 'Malling Centenary' and are produced by Hugh Lowe Farms, a family-run business located in Mereworth, just outside Maidstone. The farm is just 31 miles away from Wimbledon.

On average, 34.8 tonnes of strawberries are eaten each year during the Wimbledon Fortnight. An elephant weighs about 7 tons so you can imagine that 34.8 tonnes of strawberries is an awful lot!

To ensure there are enough strawberries grown for the July fortnight, 100,000 plants are planted in late March at the farm. The world-famous strawberries are ALL hand-picked and delivered to the All England Club each morning where they are inspected by the Food & Drink team. They make

sure only the best are served to their visitors who come from all around the world.

Any strawberries not eaten during the Wimbledon Fortnight are not wasted. They are frozen and used to make the strawberry jam for the scones and Victoria sponge served in their Café, which is open year round.

It was King Henry VIII who named Kent as 'The Garden of England' - a name that is still used today.
