

Tuesday 24th September 2024

Dear parent/ carer,

I am writing to invite you to an information session regarding keeping your child/ren safe online. We are offering two opportunities for you to attend the presentation,

More and more we are supporting parents and children in school with situations where their or other people's behaviour online has left them vulnerable and feeling upset or angry.

Children are growing up in an age where the internet is used constantly for information, shopping, socialising and gaming. We need to work together to ensure they are safe.

Both information sessions will take place on Wednesday 16th October 2024. The first option will take place between 2-3pm and can be joined virtually using the following link:

<https://meet.google.com/svr-phav-uvc?hs=122&authuser=0>

Alternatively you can attend your child's school for 2pm, where the presentation will be streamed. Staff will also be present if you have any questions.

For working parents the presentation will be repeated at 6pm on Wednesday 16th October 2024. This will be a virtual opportunity to join the presentation. You can join using the following link:

<https://meet.google.com/afg-wtce-mow?hs=122&authuser=0>

The presentation will be led by Mrs Steer, head of Leeds and Broomfield who leads on online safety for Aspire. Miss Hickling will also be in attendance.

We look forward to seeing you at the events on Wednesday 16th October 2024

Kind regards,

Emma Hickling
Executive Headteacher
