Dear Parents/Carers,

Children in Years 5 and 6 are allowed to walk home on their own if you, as parents/carers, feel that your child is mature enough to cope with this responsibility. We also allow Year 5s and 6s to walk from home to school in the morning. If however your child has siblings in Years R to 4, then these children will need to still arrive at school accompanied by an adult, as this is not the responsibility of the Year 5 or 6 child. *Please Note: children are not permitted to walk home without an adult from an after school club or event, where they must be collected from school.*

If you have given permission for your child to walk to school unaccompanied and they do not arrive by 8.45 a.m. you will be contacted as soon as possible. Therefore, please let the office know if they are absent, as soon as you can, either by phone or email.

The consent form below must be completed and returned to school if you wish your child to make their own way to and from home. Children who do not have a signed consent slip on file will only be released to an adult who is authorised to collect the child. This will normally be the child's parent or carer unless other arrangements have been made with the school.

***Can we please ask that even if you have completed a form for your child/ren to walk home last year that a new one be completed for 2024/25.***

If you have any questions, please do not hesitate to contact me.

Kind regards
