

MUSIC at ASPIRE

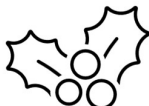

December 2024

Hello and welcome to the first newsletter to celebrate the music going on in and around Aspire schools.

It's Christmas!

There have been a lot of Christmas activities and some still to come. Here is what we have been up to.

Nativities

Well done to everyone in Hedgehogs, Foxes, Owlets, Ash, Maple, Chestnut and Sycamore classes for their fantastic nativity performances. A lot of hard work went in to preparing them from both staff and children and you performed brilliantly!

Kingwood Carols

Kingswood choir kicked off a performance by KS2 of Christmas carols and songs. Well done to the choir and to everyone in Birch, Cedar and Oak for a great performance.

Christmas lights switch-on

Children and parents from Platt's Heath braved the mud and the dark to join in carols at the Christmas lights switch-on at Grafty Green led by a local group.

Fremlin Walk

Children from Aspire schools went to Fremlin Walk in Maidstone to take part in a carolathon to raise money for Demelza House.

Advent singalong

Children and parents from Leeds and Broomfield took part in an Advent singalong to start the festive season. Well done to everyone who took part.

Ledian Gardens

Badgers Class sang to residents at Ledian Gardens retirement village and joined in with the residents' choir singing the 12 days of Christmas. Some of the residents even joined in with the children's actions!

And there's still more to come today. Good luck to all the children singing at the Leeds and Broomfield Christingle Service in St Nicholas' Church this afternoon.

If you have any music news you want to share, please let us know!
