6th January 2025

To Birch Class Parents

Dear Parent / Carer

Happy New Year! I hope you had a lovely Christmas break.

Our Geography focus this term is volcanoes. We shall be learning about where they are in the world and how they are formed. Within DT, we will be looking at textiles and practicing our cross stitch and applique.

During our English lessons, we will be focusing on our reading of different texts, making inferences and deductions on what we have read. We will be looking at our different writing genres of fiction and non-fiction, continuing work on our grammar and key spellings too.

During our Maths lessons, we will be working on length and perimeter, then moving onto working with fractions. We will be continuing our weekly times tables tests.

In Science, we will be learning about rocks and fossils. We shall be learning about the different types of rocks and their properties, looking at how fossils are formed over time. PE will be on a Thursday and Friday afternoon so please make sure your child comes dressed appropriately on these days.

Thank you for your support.

Yours sincerely

Mrs Golding
