**3<sup>rd</sup> March 2025**

Dear Parent / Carer

I hope you all had a good half term break.

Our History focus this term is the Romans. We shall be learning about when in history they were and about their life. This learning will be supported by our trip to Kent Life and the workshop on Boudicca. Within Art, we will be looking at drawing and designing.

During our English lessons, we will be focusing on our reading of different texts, making predictions on what we are reading and making deductions. We will be looking at our different writing genres of fiction and non-fiction, continuing work on our grammar and key spellings too.

During our Maths lessons, we will be continuing our work on fractions, then moving onto mass and capacity. We will be continuing our hard work on our weekly times tables tests.

In Science, we will be learning scientific investigations. This will be as a Science Day during Science week where we will be taking part in different investigations. Our learning of playing the trumpet will continue on Wednesday afternoons. PE will continue to be on a Thursday and Friday afternoon so please make sure your child comes dressed appropriately on these days.

Thank you for your support.

Yours sincerely

Mrs Golding
