3rd March 2025

Dear Parent / Carer

Good morning and welcome to Term 4 - isn't this year passing by very quickly! We have got some great topics coming up this term and hoping to spend more time learning outside as the weather improves! A focus in Term 4 is going to be on common exception words (more information below) and also handwriting, so if there are opportunities to practice this at home - that would be super! I will send some resources to support this, should you wish to use them.

Our topics this term

English - "Look up" (information text)	Maths - Multiplication and Division	Geography - At the Farm	Science - Working Scientifically	Understanding Beliefs (UBWV) - Salvation - Why does Easter matter to Christians?
Life Skills - - woven wonders	Citizenship Art - craft and design	Computing - Programming - moving a robot	Music - Singing	PE - OAA (outside activities) and Gym

Homework

As in previous terms, the homework menu provides a selection of homework tasks for children to complete and present in class if they wish. Reading books will be changed on Monday and Wednesdays. To get a new reading book, the children will need to put their reading wallet on Mrs Gamble's desk. We will continue with our weekly spelling test, the children have been doing brilliantly with this! This term, we are focusing on "common exception words" - these are words that your children should know how to spell by the end of the year. As always, please do get in touch if you have anything you wish to discuss.

Additional Information

PE remains being taught on a Monday and Wednesday so please can the children be in active wear for these days with earrings removed and long hair tied back. A friendly reminder that active wear is allowed on any day, even if it is not a "PE day" :).

We are looking forward to an exciting term!

From Miss Sanders and Mrs Gamble
