Dear Parents and Carers

Welcome to Term 4 - warmer weather soon we hope!

This term our topic is Peru and we have already had a good amount of homework in - thank you. Our class book is called My Name is River and is about Brazil and the Amazon so will provide some consolidation of learning from last year. The Reading Comprehension texts will be about Peru.

Numeracy starts with Area of Triangles and other shapes and then moves to Decimals where we will learn to add, subtract, divide and multiply as well as sequence.

Science will be done in one day, where we will focus on investigations and experiments and how to do fair testing and set out work correctly.

Interactive Installations is the art topic and will be influenced by Peru where possible. Computing also has an arty theme where we will learn to create 3D images.

P.E. will be on Mondays and Tuesdays and will involve striking and fielding games.

Film Music is the subject of Music and Citizenship will be covered in Life Skills.

Thank you as ever for your support.

Kind regards Mrs Phillips, Miss Spain and Ms Allen
