To Birch Class Parents

Dear Parent / Carer

I hope you all had a good Easter break.

Our Geography focus this term is the local area. We shall be learning about features in the local area, looking at maps and practicing geographical fieldwork skills. Within DT we will be looking at wearable technology.

During our English lessons, we will be focusing on a text by a significant author, making predictions on what we are reading and making deductions. We will be looking at our different writing genres of fiction and non-fiction, continuing work on our grammar and key spellings too.

During our Maths lessons, we will be revising our work on fractions, then moving onto money and beginning to look at time. We will be continuing our hard work on our weekly times tables tests.

In Science, we will be learning about forces and magnets. Our learning of playing the trumpet will continue on Thursday mornings. PE will continue to be on a Thursday and Friday afternoon so please make sure your child comes dressed appropriately on these days.

Thank you for your support.

Yours sincerely

Mrs Golding
