25th April 2025

Good morning and welcome to Term 5! This is a very short but busy term! We have some great topics this term, lots of activities centred around food and music. We are hoping to keep up with outdoor activities this term and extra curricular activities to engage the children and bring learning to life!

Our topics this term

<u>English</u> - The Disgusting Sandwich (instruction writing)	<u>Maths</u> - Money and fractions	<u>Geography</u> - The World- where does food come from?	<u>Science</u> - Animals including humans growth and survival	<u>Understanding Beliefs (UBWV)</u> - Islam - Who is a Muslim and what do they believe?
<u>Life Skills</u> - Economic well being	<u>D&T</u> - Cooking and nutrition	<u>Computing</u> - Making music	<u>Music</u> - Instruments	<u>PE</u> - Dance and Games

Homework

The homework menu provides a selection of homework tasks for children to complete and present in class if they wish. We have a maths focus on money and fractions this term, so any opportunities for the children to have real life experiences of using/counting money and talking about fractions would be great to capture! Reading books will be changed on Monday and Wednesdays. To get a new reading book, the children will need to put their reading wallet on Mrs Gamble's desk. Our weekly spellings test will continue on a Friday so please try to practise this at home but we will do practices at school too. As always, please do get in touch if you have anything you wish to discuss.

Additional Information

PE remains being taught on a Monday and Wednesday so please can the children be in active wear for these days with earrings removed and long hair tied back. A friendly reminder that active wear is allowed on any day, even if it is not a "PE day" :).

We are looking forward to an exciting term!
From Miss Sanders and Mrs Gamble
