

Leeds and Kingswood Cubs: A Term of Adventure and Achievement!

The Leeds and Kingswood Cubs have had an action-packed term, full of exciting activities and memorable experiences! From green-fingered gardening to thrilling theme park adventures, our Cubs have been busy learning, exploring, and growing.

Our term kicked off with a fantastic gardening project. The Cubs got their hands dirty potting plants and sorting seeds in preparation for our fundraising seed sale and coffee morning. Thanks to their hard work, we raised valuable funds that went towards an unforgettable camping trip to Chessington World of Adventures!

The Chessington trip was a roaring success! We camped overnight near the resort and spent a day enjoying the exhilarating rides and attractions. This adventure not only provided a fun-filled experience but also allowed the Cubs to earn their Spring Camp badge as part of the Four Seasons Camping Challenge. A huge thank you to Kingswood Primary School for the use of their minibus, which made this trip possible.

Back at our regular pack nights, the Cubs have been diligently working towards earning their Communicators badge. They've been learning fascinating skills, including how to send a Morse code distress signal, how to use radios, how to crack a cypher, and the intricacies of the phonetic alphabet.

On Sunday, April 27th, our Cubs proudly participated in the St. George's Day parade in Maidstone town centre. We marched alongside other scouting groups and sections to All Saints Church, where we took part in a special service. Cubs from our group played an active role in the service, reading the Cub Scout Law and even re-enacting the story of St. George and the dragon!

Looking ahead, the Cubs are now preparing for an exciting Pirate-themed district camp at Hamlet Wood. We'll be joining Beavers and Cubs from across Maidstone East for a weekend filled with pirate-themed activities and adventures.

The Leeds and Kingswood Scout Hall will be open to members of the public to visit during the upcoming Kingswood boot fair safari. We will be serving tea, coffee and refreshments for weary bargain hunters, and will have our facilities available for visitors to spend a penny.

It's been a term of growth, learning, and fun for the Leeds and Kingswood Cubs. We're incredibly proud of all their achievements and look forward to more adventures in the terms to come!
