23rd May 2025

Dear Parents / Carers

Yesterday we were lucky enough to have a demonstration assembly by Vicky Starling, our trumpet teacher. She demonstrated the trumpet, trombone and French horn. She played several pieces from Harry Potter, which the children could all identify, as well as the Simpsons Theme on the trombone which was so popular the children asked to hear it again.

We hope that some of your children may be interested in learning a brass instrument. Lessons are available as either individual lessons or small group lessons. These would cost £13.50 for a 20 minute individual lesson or £6.75 for a group of 2 children learning together. Please complete the form below for this. We have trumpets available to borrow, and hire of other instruments can be arranged. Lessons will take place during the school day. Financial assistance is available to support the cost of lessons, for details, visit www.kent-music.com/financial-assistance or contact Miss Foad (music@aspire-kent.org.uk)

For children currently in year 3, we would like to offer a continuation group from September to December. A larger group would have reduced costs; the actual cost will depend on the number of children who sign up, so for now, please can you let us know if you are interested in your child being part of this group. The more who sign up, the cheaper it would be, and we will confirm costs before continuing.

Kind regards,
Mrs Foad
