

I'm getting in touch from Kent Fire and Rescue Service to let you know about our brand-new **Water Safety Fun Day**, taking place this July! As your school is in a town located near water, we're offering families in these areas the opportunity to book their **FREE** tickets first.

This exciting, free event will be packed with games and activities for children, plus a chance to meet our firefighters. It will have the same fun, friendly atmosphere as our popular open days – but with a special focus on **water safety**.

When: 29th & 30th July 2025

Where: Tonbridge Castle

Here is the link where people can book their free tickets: <https://www.kent.fire-uk.org/our-events>
