To Birch Class Parents

Dear Parent / Carer

Welcome to Birch class. I am really looking forward to a successful and enjoyable year working with you and your child.

Our Geography focus this term is the United Kingdom. We shall be looking into human and physical features, using atlas and learning about the four countries that make up the United Kingdom. Within Computing we shall be learning about computer systems and connections, and our Art is looking at drawing.

During our English lessons, we will be focusing on texts that relate to the UK. We shall look at fiction and non-fiction writing. Reading will be a focus, working on our key word reading, along with spelling the key words and our grammar work.

During our Maths lessons, we will be working on place value, formal methods of addition and subtraction, partitioning and developing our number bonds and times tables.

In Science, we will be learning about Sound. We will also be learning French, starting with greetings and numbers to ten. PE will be on a Thursday and Friday afternoon so please make sure your child comes dressed appropriately on these days.

Thank you for your support, I am looking forward to working with you.

Yours sincerely

Mrs Golding
