3rd September 2025

Dear Parents/Carers,

I hope you all had a lovely summer break - it went so quickly. I am really looking forward to a fantastic year full of amazing learning and experiences. Term 1 will be full on but will also be lots of fun.

We are doing Geography this term and our focus is 'North America'. For the course of this topic, we will be focusing on North America as a whole, but will also explore the different areas, whilst looking at a state that I have chosen. Additionally, we will compare and contrast different areas of North America with the UK.

For our English lessons we will be focusing on a book called 'Charlotte's Web'. We will be delving into this book through focussing on expanding and enhancing both our reading and writing skills. We will be exploring different writing outcomes throughout the term - this includes descriptions, diary entries, newspaper reports and if we have enough time, a non-chronological report. I am a big fan of reading, so I really like to ensure that reading is a focus both inside and outside of English lessons, so as to help the children with developing and enhancing their comprehension skills and word recognition.

During Maths lessons this term, we will be starting off with a focus on place value and will eventually move on to addition and subtraction towards the end of the term. All of the children will be exploring methods that they have used and worked with before. Just like last year, the children will be continuing to develop their times table knowledge through practice during Maths lessons and regular times table checks three times a week.

For Science this term we will be looking at 'Sound', where the children will be exploring how sounds are made, how they travel and patterns between the pitch and volume of an object. The children will also be continuing with French this year. We are doing Art this term and we are going to be looking at 'Drawing: Typography and Maps'. Lastly, our PE days will be on a Wednesday and Thursday, so please make sure your child comes dressed appropriately on these days.

Thank you for all of your support and I am really looking forward to a fantastic Term 1 full of learning as well as being able to work with yourselves and your children.

Yours sincerely,

Miss Punyer and Mrs Nicholls
